

Good Practice Students Book Communication Skills In English For The Medical Practitioner Cambridge Professional English

Good Practice Students Book Communication Skills In English For The Medical Practitioner Cambridge Professional English **FREE** *good practice students book communication skills in english for the medical practitioner cambridge professional english* Book Description. Good Practice focuses on the language and communication skills that doctors need to make consultations more effective, using five elements of good communication: verbal communication, active listening, voice management, non-verbal communication and cultural awareness. The course teaches learners how to sensitively handle a range of situations such as taking a patient history and breaking bad news, as well as preparing doctors for dealing with different types of patients ...
